

MANSFIELD MIRROR

VOLUME 5

MANSFIELD, WRIGHT COUNTY, MISSOURI, THURSDAY, JUNE 5, 1913

NUMBER 15

IS YOUR NAME HERE?

If Not, Why Not? Can't We Place It There In June?

Since taking charge of The Mirror we have received payment on subscription up till June 1 from 102 old subscribers and 117 new ones—a total of 219. Several subscribers were paid in advance when we took charge. Several more have promised payment soon and several new subscribers received will pay during the year. Several who are on the list have not stated whether they wanted to remain there or not. During June we intend to make a thorough revision of our list. We are printing 200 more papers than when we took charge, which is a substantial growth that we certainly appreciate. If you have paid us your subscription and your name is not on the list, please notify us and we will add it to our June list, which we hope to make as large as our present list. We make the following special offer for June: Hand us \$1.25 and we will send The Mirror till 1914 to three subscribers. You will thus make five people happy for only \$1.25 the three subscribers, yourself and the editor. Try it once, anyway. We are at a heavy expense each week in printing The Mirror and we need every cent that is due on subscription. If you can possibly pay us during June, please do so. If you can not, please let us know. If we do not hear from you during June, and your subscription is not marked paid up, your name will be taken from the list. We do not desire to lose any subscribers, neither do we desire to send The Mirror where it is not wanted.

A Blow At Good Roads

The supreme court has declared unconstitutional what is known as the benefit assessment road district law. This is the special road district law which has been in force since 1909. The law was held invalid from the view point that non-land owners are denied the right of voting in the formation of a district under this law.
